TO WHOM IT MAY CONCERN

Dear Madam, Sir

I know Mehmet from the 2000's when I chartered. He used to help us successfully in our grocery shopping. He has been very successful in the laundry and crew uniform business.

He is continuing the same success in Superyacht agentship.

I highly recommend Mehmet Kabak / Memetti Superyacht Agent. Any yacht captain or owner will be privileged to have him as a yacht agent.

I wish him all the best for the future.

Please feel free to contact me for any further elaboration.

Your sincerely

Captain
